

## Table of Contents

<b>Executive Summary .....</b>	<b>1</b>
<b>Introduction .....</b>	<b>5</b>
About the COMSTAC GSO Forecast .....	5
About the FAA NGSO Forecast .....	5
Characteristics of the Commercial Space Transportation Market .....	5
Demand Forecasts .....	6
<b>COMSTAC 2008 Commercial Geosynchronous Orbit (GSO) Launch Demand Forecast.....</b>	<b>7</b>
Executive Summary .....	7
Background .....	8
Forecast Methodology .....	9
2008 COMSTAC Commercial GSO Launch Demand Forecast Results .....	11
Near-Term Demand Model .....	11
Satellite Launch Forecast Mass Class Trend .....	12
Comparison with Previous COMSTAC Demand Forecasts .....	13
Comparison to International Comprehensive Inputs .....	14
Launch Vehicle Demand .....	14
COMSTAC Demand Projection vs. Actual Launches Realized .....	15
Factors That Affect Satellite Launch Realization .....	15
Projecting Actual Satellites Launched Using a Realization Factor .....	15
Forecasted Satellite Demand versus Actual Satellite Launches in 2007 .....	16
Launch Assurance Agreements .....	17
Factors That May Affect Future Demand .....	17
Supplementary Questionnaire Results .....	19
Commercial GSO Satellite Trends .....	20
Trends in Number of Transponders per Satellite .....	20
Trends in Average Satellite Mass .....	21
Summary .....	22
<b>2008 Commercial Space Transportation Forecast for Non-Geosynchronous Orbits .....</b>	<b>29</b>
Executive Summary .....	29
Introduction .....	30
NGSO Satellite Systems .....	32
International Science and Other Payloads .....	32
Digital Audio Radio Services .....	33
Military .....	34
Market Demand .....	34

Commercial Remote Sensing Satellites	34
DigitalGlobe	36
GeoEye	36
ImageSat International NV	38
Infoterra Group	38
MacDonald, Dettwiler and Associates	38
RapidEye AG	39
Market Demand	39
NGSO Telecommunications Systems	39
Globalstar	40
Iridium	41
ORBCOMM	42
Other Systems	42
Market Demand	43
Orbital Facility Assembly and Services	43
Bigelow Aerospace Orbital Habitats	44
NASA COTS	44
Commercial ISS Resupply	45
Market Demand	45
Future Markets	45
Risk Factors That Affect Satellite and Launch Demand	46
Methodology	48
Vehicle Sizes and Orbits	49
Satellite and Launch Forecast	50
Historical NGSO Market Assessments	52

## List of Figures

Figure 1. GSO Satellite and Launch Demand .....	2
Figure 2. NGSO Satellite and Launch Demand .....	3
Figure 3. Combined GSO and NGSO Historical Launches and Launch Forecasts .....	3
Figure 4. Historical Commercial Space Transportation Forecasts .....	6
Figure 5. Commercial GSO Satellite and Launch Demand .....	7
Figure 6. Trends in GSO Satellite Mass Distribution .....	12
Figure 7. 2003 Through 2007 vs 2008 Commercial GSO Satellite Demand Forecast .....	13
Figure 8. 2008 COMSTAC GSO Satellite and Launch Demand Forecast .....	14
Figure 9. Commercial GSO Satellite Demand: Historical, Near-Term, and Long-Term Forecasts .....	16
Figure 10. Total C/Ku/Ka Transponders Launched per Year and Average Transponders per Satellite .....	21
Figure 11. Total Satellite Mass Launched per Year and Average Mass per Satellite .....	22
Figure 12. Satellite Forecast .....	50
Figure 13. Launch Demand Forecast .....	51
Figure 14. Comparison of Past Baseline Launch Demand Forecasts .....	54
Figure 15. Average and Maximum Launches per Year from NGSO Forecasts 1998–2008 .....	54

## List of Tables

Table 1. Commercial Space Transportation Satellite and Launch Forecasts .....	2
Table 2. Commercial GSO Satellite and Launch Demand Forecast Data .....	8
Table 3. Satellite Mass Class Categorization .....	10
Table 4. Commercial GSO Near-Term Manifest .....	11
Table 5. Trends in GSO Satellite Mass Distribution .....	12
Table 6. 2008 COMSTAC Survey Questionnaire Summary .....	19
Table 7. Total C/Ku/Ka Transponders Launched per Year and Average Transponders per Satellite .....	21
Table 8. Total Satellite Mass Launched per Year and Average Mass per Satellite .....	22
Table 9. Historical Addressable Commercial GSO Satellites Launched (1993–2007) .....	24
Table 10. Historical Non-Addressable Commercial GSO Satellites Launched (1993–2007) .....	27
Table 11. Commercially Competed Launches .....	30
Table 12. Commercial Satellite Remote Sensing Systems .....	35
Table 13. Current Commercial Satellite Remote Sensing Licenses .....	37
Table 14. Little LEO Systems .....	40
Table 15. Big LEO Systems .....	41
Table 16. Near-Term Identified NGSO Satellite Manifest .....	48
Table 17. Satellite and Launch Demand Forecast .....	50
Table 18. Distribution of Satellite Masses in Near-Term Manifest .....	51
Table 19. Distribution of Launches Among Market Sectors .....	52
Table 20. Historical Commercial NGSO Activity .....	53
Table 21. Historical NGSO Satellite and Launch Activities (1993–2007) .....	55
