The *ESA Bulletin* is published by the European Space Agency. Individual articles may be reprinted provided the credit line reads 'Reprinted from *ESA Bulletin*', plus date of issue. Reprinted signed articles must bear the authors' names.

ESA and the ESA logo are trademarks of the European Space Agency. Images copyright ESA unless stated otherwise. Permission to reproduce or distribute material identified as copyright of a third party must be obtained from the copyright owner concerned.

Because of organisational and resource reasons, the four *Bulletins* of 2016 have been merged into one issue. We apologise for any inconvenience caused, and we will return to the regular schedule of four issues per year in 2017. Thank you.
